WILLOWWIND WEEKLY NEWS

SEPTEMBER 22, 1994

LIVING HISTORY

Tomorrow, the Middle Group will travel to Living History Farms and The Des Moines Aquarium! Your child will need a sack lunch, beverage, and a snack for later in the day. Also, the weather forecast for tomorrow is for cooler and possibly rainy conditions so make sure your child has appropriate clothing. Since we will leave school by 8:30 a.m., please drop your child off at school by 8:15 a.m. Due to the long drive, we need to leave school at this time. Any student who is late will do work in Barbara's classroom for the day. We will return at 6:30 P.M., so please make arrangements for transporting your child home. Send Shoes for muddy conditions.

WE TRY AGAIN!

Barbara's Class will be going to City Carton on September 27th, at 10:45. Last week's trip was cancelled as the tour guide had to go out of town.

TUBES, TUBES, TUBES

The After School Program is collecting cardboard tubes from paper towel rolls. If you could save them and bring them in to school, it would be appreciated! Thank You!

CURRICULUM AFTERNOON FOR PARENTS

This Sunday, September 25th, from 1:00 until 3:00 is Curriculum Afternoon at Willowwind.

From 1:00 until 2:00 will be general orientation - to learn about general school procedures and issues (G.D., Partners, etc.), and time to meet with Willowwind's Specialty Teachers.

From 2:00 until 3:00 Barbara, Claire, and Pat will present information about policies, procedures and curriculum in the individual classrooms.

This afternoon is for parents only. It is a time to talk with teachers and to find out how and what your children will be learning this year. All parents are urged to attend.

MANY MANY THANKS

Thanks to Winston and Stephanie Alnot for their donation of a Apple ImageWriter printer for Pat's room. It is much appreciated by all!
