TRICK OR TREAT FOR UNICEF

Students at Willowwind are trying to raise at least \$140.00. If everyone collects \$3.00 we can make our goal. \$140 will immunize 840 children against Diphtheria, Whooping Cough and Tetanus. The collection box is attached to this newsletter. Please return your box by November 3rd so Claire and Barbara's classes can begin counting the money and get it sent in promptly.

YOUNGER CLASS STUDENTS:

Please bring a SHOE BOX by next Wednesday. Our class was very impressed by Louie's shadow box in *The Trip* by Ezra Jack Keats and wanted to try their own hand at it.

On Friday students will be bringing home their fire safety booklets in their reading folders. Please take time to have your child explain what each picture means.

I will be attending the National Science Teacher's Association Convention in Minneapolis on Thursday, November 3rd and Friday, November 4. I am particularly looking forward to a full day course on science and literature. Audrey Knox will substitute for me.

NOTES FROM PAT

Chris Mayer had his letter about National Parks read on the news show *Assignment the World* - good work Chris!

The older kids are preparing an oral presentation of Edgar Allen Poe's poem, *The Raven*. They will be presenting it to the school on November 2, at 10:30. We will try to tape it so parents can see it if they wish.

CLASS TRIP TO MACBRIDE

On October 25, 1994 Pat's class went to the McBride Nature Camp. While we were there, we got to see two live hawks close up. Pat got a chance to hold the two Hawks, one a Red Tail Hawk the other a Sharpshinned Hawk. She also got to let them go. We got to meet a Hawk Expert named Dave. He showed us trees and plants. It was a little cold that day, but we had fun!!
